

NATIONAL CONFERENCE

MENTAL HEALTH ADVOCACY

LEARN. NETWORK. GROW.

In an era where mental health plays a pivotal role in overall well-being, our National Conference on Mental Health Advocacy aims to bring together passionate individuals, industry experts, and students to propel community upliftment and foster innovative interventions.

Through engaging sessions, thought-provoking discussions, and collaborative activities, this conference seeks to create a platform for positive change in comprehensive knowledge, develop practical skills, and establish a rewarding career.
